Our Services

Each discounted service listed is limited to one per auto policy term.

Wheel Lift Tow 50

Wheel Lift Towing is available for non-accident related towing services.

Key Lock Out 20

Key Lock Out service is limited to the attempt of unlocking a door of a covered vehicle should the key be accidentally left inside.

Jump Start 20

Jump Start Service is limited to the attempt of starting the insured's covered vehicle using a jumper cable if the battery has been drained of its capacity.

Flat Tire Change 20

Flat Tire Change Service is limited to the changing of a flat tire with the insured's covered vehicle's spare tire and equipment.

Out of Gas 20

Out of Gas Service is limited to taking the insured to the nearest gas service station to purchase gasoline. A Pacifica Road Aid Serviceman may also offer to purchase gas at a nearby gas service station and deliver the gas to the insured for their covered vehicle.

Not including after-hours and out-of-area service fees.

Pacifica Road Aid is powered by Joeten Motor Company.

The management of Pacifica Road Aid services has been outsourced to a company whose longstanding reputation for quality and reliability makes them the perfect partner to ensure safety remains a top priority for all services delivered.

With Joeten Motors handling our roadside assistance program, you can rest assured you'll be in great hands.
